Dear Students and Faculty,

On behalf of the residents at Clove Lakes Healthcare and Rehabilitation Center, I wish to thank you for your incredible donation of Holiday goodies and cheer. Your generosity is the true meaning of Christmas and the holidays. I can't begin to tell you how overwhelmed I was in seeing the selection of items that you sent. You can be assured that each resident got a gift for the holiday because of your Spirit of Giving!

Thank you again and I wish you and your families a Happy and Healthy New Year!

Sincerely,

Carol Gutierrez

Director of Recreation
